

## ***SUVIDHA STORAGE SYSTEM***

*www.suvidhass.com*

We are into Manufacturing, Exporting and Supplying Industrial Storage System, Storage Rack, and Mezzanine Floor. These are appreciated for quick installation, robust & durable construction and dimensional accuracy.

## A b o u t U s

We '**SUVIDHA STORAGE SYSTEM**', are one of the market leaders engaged in manufacturing, supplying and exporting a wide assortment of **Storage System Products** like Pallet Racking System, Slotted Angle Mezzanine Floor, Mobile Compactors Storage System and Ladder Type Cable Tray. These products are designed and developed in our latest infrastructure facility. Our highly skilful and experienced workers make use of the best grade quality raw materials such as mild steel and stainless steel, procured from reliable vendors across the country. The entire range of products are extensively suited across different sectors such as warehouses, factories, industries, workshops, showrooms, shops, supermarkets, hospitals, hotels, educational institutions, banks, libraries, airlines and cargo stations.

We make use of the latest and advanced tools and machinery to fabricate these products. Being a quality concerned organization, all these products are widely appreciated in the industry for their defect less nature and utmost quality aspects. Thus, these products are very popular among our client base for their unique attributes such as quick installation, robust & durable construction, light weight, dimensional accuracy, superior finish, excellent style and rotating wheels for easy mobility. With our research and development activities, we are able to offer innovative range of products at industry leading price range. We make use of technically advanced machines like CNC Bending Machine, CNC Shearing Machine and Power Press.
